Dear Student

With great pleasure we take this opportunity to welcome you at Reliable institute, KOTA. To perform in a National Level Entrance Exam like the JEE where more than 12 Lakh students appeared in 2019, you need excellent guidance from faculties who have a proven success track record. Reliable is an Institute where you will find the most experienced & highly qualified faculty team which has a legacy of producing excellent ranks in JEE-Advanced, JEE-Main, NTSE, IJSO, KVPY, Olympiads & Board / School Exams.

There are few main components of a student's success in competitive exams. The First & foremost component is an excellent faculty team which is also the strength of Reliable Institute. Another important attribute is a researched study material supported by regular testing on the latest pattern of JEE-Advanced / JEE-Main / NTSE / Olympiads / Boards etc, also exclusive board classes will be held by experts for physics, chemistry, mathematics, english & physical education. The other aspect is continuous analysis of student's performance & taking corrective measures to improve the same. In addition to this, Reliable Institute will also provide you one point contact for all Academic & Non-Academic issues which will itself be a unique feature.

All the major entrance examinations are conducted on Online pattern these days. At Reliable, you will get enriched support of Computer Based Testing (CBT).

Our Junior Division (Classes VI to X) builds the foundation of the future generation and the team has the knack of delivering regular toppers in exams like NTSE & IJSO etc. Students who perform well in these examinations usually perform well in Career Oriented Entrance Examinations like the JEE & secure top ranks. Reliable Junior Division team will provide you with a solid base to build a sparkling career.

This information booklet will guide you about the courses being offered at Reliable Institute, Faculty Team, Admission Process, Fee, Scholarships and other details which will help you complete your admission process.

We will leave no stone unturned to ensure that your journey with Reliable Institute turns out to be a fruitful & cherishable one and you will come out with flying colors in your respective target examinations.

Best Wishes

2. **Structured Course Planning**

   Course planning is prepared well in advance for each & every course. The course planner prepared from this planning is provided to students after joining the courses.
   The course planner has the details of lectures, no. of weeks & classes, periodic test schedule with syllabus etc which provides the students all the details about the course progress. This planning shows how much hard work has been put by the team in designing the courses.

3. **Regular Class & Doubt Class**

   Regular Classes are conducted as per Time Table which is provided to the students in advance. Students need to take maximum benefit/learning from the regular classes. If a student misses any class or has some doubts in any particular topic then he/she may attend the doubt classes which is also scheduled as per time table.

4. **Study Material (Modules & DPPs)**

   Study Material is provided in terms of Sheets, Daily Practice Problems (DPPs) etc. Topics wise Sheets has the theory content about the topic followed by solved, unsolved examples. Examples are followed by Exercises which has questions from easy to moderate and tough levels. One particular exercise has the questions asked in previous years in respective target exams.
   DPPs are a set of 10-15 questions which are given to the students as a home work on regular basis. The DPPs has to be solved in the given time limit. DPPs are discussed by the faculty in the next class.

5. **Periodic Testing :**

   Periodic tests are organized to check the preparation of the student & provide it much needed impetus. The tests are conducted on part syllabus, cumulative syllabus & full syllabus basis. Tests are conducted as per the pattern & target exam of the students.

6. **Academic Performance Analysis**

   Students performance analysis is done through their performance in the periodic tests. Students are motivated to perform well in the upcoming tests. Parents can see the results of their wards on Institute's website or through app mode & meet the concerned person at the institute to discuss the performance of their ward.

7. **Preparation support for Boards & Other Competitive Exams Like KVPY, Olympiads, BITSAT etc.**

   Apart from the preparation of main Target exams like JEE-Advanced, JEE-Main, Reliable team will also prepare the students for other important competitive examinations like Kishore Vaigyanik Protsahan Yojana (KVPY), Olympiads conducted by Homi Bhabha Centre for Science Education (HBCSE) etc. Attention will also be given for the board exams preparation so that student fulfills the eligibility criteria by securing the required % or percentile in board exam.
   Junior Division will also prepare classes VI to X students not only for Competitive Examinations like NTSE, IJSO, IESO, other government or private examinations but will also prepare for excellent results in boards or school exams.

8. **State of the art Infrastructure & Online Testing Facility**

   Institute provides State of the Art Infrastructure & Facilities to the students. Institute has spacious & air cooled classrooms, white boards, proper mic communication system and seperate study lounge for girls / boys. Since most of the competitive examinations are nowadays conducted online, institute will provide online testing facility to students to keep them abreast with the current system of examination.

9. **Student Care & Support**

   Student Care is one of the most important feature of Reliable Institute. Students are regularly provided motivation & counseling to perform well in their target exams. They are also supported in filling the forms of their target exams.
   Students can always approach their respective faculty or management team for required support.
